

Siena, age 8, with Low Functioning Autism, dreams of visiting the Central Florida theme parks.

She loves riding horses at therapy and is one of the children benefiting from this year's Gala!

Dear Sunshine Foundation Friend:

We are excited to announce the Sunshine Foundation will be hosting its 14th Annual Sunshine Foundation Gala at the Omni Orlando Resort at ChampionsGate on October 21st. 2023.

A large part of our success is due to the support of local and regional businesses. **We hope that you will assist this year by sponsoring and/or donating one of your products, services, or gift certificates.** Your company will be recognized online and in printed event materials. This year's **"Diamonds & Rhinestones- Bling up your boots and cowboy hats"** theme will feature exciting live & silent auction items, dinner, entertainment, dancing, and dessert!

Siena's mom shares: ***"Siena is an 8-year-old girl with low functioning autism. She wants to be a teacher or a doctor or put bad guys in jail when she grows up. Her favorite things to do are play games and ride horses at therapy. Siena, her family, and friends call her "CeCe" loves being outside, riding her bike and playing in the snow. She wants to go places, camping and make bonfires!"***

Sunshine Foundation's sole purpose is to answer the dreams of chronically ill, physically challenged and abused children, ages three to eighteen, whose families cannot fulfill their requests due to the financial strain that the child's illness may cause. We serve the children with life-long, chronic conditions from income-limited families that are turned away from other wish granting organizations that require a life-threatening or critical diagnosis.

With your donation we believe that you will experience the personal fulfillment of knowing that you assisted in making at least one child's most heartfelt dream come true.

We hope we can count on your support for our 2023 Gala, benefiting the Sunshine Foundation this year, and help bring a little **"Sunshine"** into young lives that are clouded by the burden of illness. If you have any questions, please contact (863) 424-4188 or wanda@sunshinefoundation.org.
